

History 208/Preventive Medicine 479

**HEALTH, MEDICINE AND SOCIAL REFORM
Spring 2001**

Prof. Theodore Brown

Office Hours: Monday 11:00 - 1:00 and by appointment
368 Rush Rhees (x52051)
e-mail: theodore_brown@urmc.rochester.edu

Teaching Assistants:

John Crilly

email: roisjfc@gw.omh.state.ny.us

Tara McCarthy

email: tmmy@mail.rochester.edu

Course requirements are a midterm exam, a final exam and a 7-page book review essay. Each will contribute to one-third of the final grade.

The following books are to be purchased:

George Rosen, A History of Public Health(Hopkins) [PH]

Friedrich Engels, The Condition of the Working Class
in England(Oxford)

Jacob Riis, How the Other Half Lives(Bedford)

James H. Jones, Bad Blood(Free Press)

History 208/PM 479 Course Reader(available at the River
Campus bookstore) [CR]

All readings will also be available on reserve.

The book review essay must be written on **one** of the following books:

Engels(due 2/21)

Riis (due 4/4)

Jones (due 4/25)

Each student will be assigned to a specific mentor (Brown, Crilly, or McCarthy) who will grade all book review essays by her or his assigned students. Mentor assignments will be announced early in the semester.
